

# welcome HOME

In case we weren't able to greet you personally, we wanted to say: welcome to Skyline!

You matter! You matter to God, to the people you love, and to the people who love you. But for today, what doesn't matter is where you've been, what you've done, or where you're from. We simply want you to know God's love. We hope you experience that today.

Skyline is a diverse and growing Christian church seeking to help people build lives worth living transformed by God's grace. You can discover more about why we do what we do, including our vision statement, by visiting [skylinechurchnj.org](http://skylinechurchnj.org).
